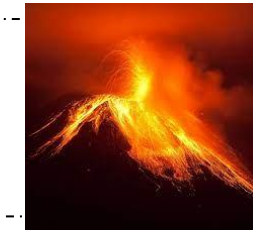
Home Learning Menu
Year 3 – Term 2



How it Works

These tasks are optional week on week. However, completing the tasks in the column on the left will be beneficial to your child's learning and progress. **If you are unwell, resulting in time off school, please complete the tasks on the Home Learning Menu.**

Daily

Reading
- Fiction books, novels, short stories
- magazines, comics, newspapers
- websites, kindles
- Non-fiction, information, recipe books

Please ensure an adult writes a comment about how your child has read in the reading record.

Learn spellings rules and revise
- Research and discuss spelling rules
- Ask someone to test you
- Identify the tricky part & a way to remember it

Use spelling shed to practise your weekly spellings.

Times Tables Rock Stars

Use this on a regular basis to practise your times tables. Every time you play counts as a piece of homework.

Mathletics – your child can play various maths games and activities on this site. We will also set occasional tasks based on class work.

Bonus Tasks

Computing – Stop-Motion Animation

Can you create your one Stop-Motion video? You could use Lego, plasticine, moveable toys or card cut-outs.
- You might like to try making a flipbook…
- What is Claymation?
- Can you think of any examples of films / TV shows that use Stop-Motion?

Science – Forces and Magnets

Did you know that Earth is a giant magnet? https://www.youtube.com/watch?v=VFzg9XH0dv8
- Explore your home and see how many different types of magnets you can find.
- Where did you find them? What are they used for? How might they be different?
- Record these in your home learning books (photos, drawings, list, poster…)

DT – Seasonal Eating
- Have a look at where your food has travelled from.
- What foods are ripe in each season? (Autumn, Winter, Spring, Summer)
- Ask an adult to teach you how to bake something delicious!
- Write down the ingredients you need and steps involved.
- Take a photo or draw what you have created.

Geography – Why do people live near volcanoes?
- Create a fact file about one of the world's famous volcanoes – Don't forget to sketch and label a diagram of it.
- Pros and cons of living near a volcano. Create a simple table showing reasons why people would and wouldn't live near a volcano.
- Design a safety poster to show how people can stay safe and prepare for a volcanic eruption. It should have a title, 3-5 safety tips and some symbols or images.

Wellbeing
- Spend time enjoying a game / craft / outdoor activity / visit (or similar) with your family. It could be with one member or several. Enjoy something together
- Alternatively, your child could reflect on something in the local community or the wider world that has caught their interest and discuss this with you

Topics covered in Term 2

Maths – Column method for addition and subtraction, multiplication and division; involving times tables.

English – Traditional tales based on 'The True Story of the Three Little Pigs' and diary writing.
