

# Homework Menu

## Year 6 – Term 3

### The Homework Menu

This term we are continuing to embrace the more relaxed approach to home learning. We have set tasks that may be completed at home as homework. These tasks can also be completed in the case of longer periods of absence, **or in the case of school closure**. We will award Dojo points for any homework completed, but we are not asking for a minimum points total this term.

Side Orders (Optional)		Main Courses	
These activities, which link with the topics being studied in class, can be completed to further extend your child's learning.		A range of these activities must be completed <u>every day</u> to support your child's learning.	
<b><u>Science – Electricity</u></b> Choose an aspect to investigate. Here are some examples: What electrical appliances are there in your house? What sources of electricity are there in your house? Look into and investigate how much electricity you use in a day (kilowatts). Is it the same each day? Anything else you would like to explore.	4	<b><u>Reading</u></b> Pick up your reading book and enjoy immersing yourself in a story. This could be you reading or being read to and can be fiction or non-fiction books. Don't Forget to talk about your book with an adult. What are the main characters like? How are they feeling? What might happen next?	2
		<b><u>Spellings</u></b> Practise your spelling words in the way which you find most useful. This might be by being tested, drawing Calligrams or colouring in letters. Prefer working online? Try the <i>Squeebles</i> app or Spelling Frame on your computer. <a href="https://spellingframe.co.uk/">https://spellingframe.co.uk/</a>	2
<b><u>Arithmetic Papers</u></b> Arithmetic papers will be given out to complete in some weeks	4	<b><u>Times Tables Rockstars</u></b> The school provides your children with access to both Times Tables Rockstars and Mathletics. Log on and find an exciting activity to practise! Speak to your teacher if you have forgotten your login. <a href="http://www.mathletics.co.uk">www.mathletics.co.uk</a> or <a href="http://www.ttrockstars.co.uk">www.ttrockstars.co.uk</a>	2
<b><u>GPS Papers</u></b> GPS papers will be given out to complete in some weeks. An answer scheme will be included so that you can self-mark. Use websites to find information if you are unsure how to answer a question?	8	<b><u>Mathletics</u></b> The school also provide your children with access to Mathletics. This is used to keep basic knowledge and skills at the forefront of the children's minds whilst their learning is extended in class.	2
<b><u>History – Tudors</u></b> Create a poster with information about a chosen aspect of Tudor Britain. You could find out about a Tudor royal figure, Tudor houses, food and drink, exploration in Tudor times, famous Tudors such as Shakespeare, plots and schemes, famous Tudor buildings and so on. Present your findings in whichever creative way you like!	4		
<b><u>Topics to be covered in Term 3</u></b> Maths – Ratio and Algebra English – Persuasive writing and a character study based on the poem “The Highwayman”.		Science – Electricity History – The Tudors
