

Homework Menu

Year 4 – Term 3

How it Works

Essential tasks should be completed daily to support and assist children's progressing in learning, you will be awarded 1 dojo for completing each of these across the week. I.E. if you read every day you will get 1 dojo.

Bonus Tasks are optional and can be completed at your leisure or if you must miss school., this is a great way of earning extra dojo points!

Have fun!

Bonus Tasks			Essential Tasks	
These activities, which link with class, can be completed to learning.		the topics being studied in further extend your child's	A range of these activities must be completed <u>every day</u> to support your child's learning.	
English <ul style="list-style-type: none">Create your own 'revolting' recipe. For example: Mudcake Pie, worm sushi or slug cupcakes	4	Reading <p>Pick up your reading book and enjoy immersing yourself in a story. This could be you reading or being read to. Don't forget to write a comment in your reading records. Reading books will be changed Wednesday and Friday, so please bring in your reading books to change on these days.</p>	1	
Science- <ul style="list-style-type: none">Draw an simple outline of a body, and add the digestive system in different colours 	4	Spellings <p>You will be giving weekly spellings to practice and accompanying sheets. These are in accordance to the national curriculum. Each child will be given weekly spellings on Friday and will be tested on the following Friday.</p> <p>To help practise, you could try writing the words in fancy letters, bubble writing or different colours. You could even try to make the words using different materials. Don't forget to write your words into sentences.</p>	1	
Art/Dt <p>Design your own packaging for your favourite food.</p>	4	Times Tables Rockstars <p>Times Tables are very important in Year 4, so we will be competing in a Year Group competition to see which class can win the most points. Keep practicing to earn points for your class.</p> <p>Speak to your teacher if you have forgotten your login.</p>	1	
Geography/History <p>Pick 10 items from your food shopping and map out where that food originates from</p> <p>And/or</p> <p>Create a food passport – where is the furthest and closest food you eat?</p>	4	Mathletics <p>We have provided your children with logins to access Mathletics. This is used to keep basic knowledge and skills at the forefront of the children's mind that can be used to further their learning in class. Please complete the activities set for you and feel free to explore the website for more activities.</p>	1	

<u>Well-being</u> Write a recipe for your favourite sweet treat and use it to make it. Don't forget to send a picture of your baked goodies!	4
