

UP, UP AND AWAY

living memory	within the last 100 years.
decade	10 years
evidence	proof something is true
eyewitness	A report from someone who has seen it happen
flight	passing through the air
inventor	someone who makes new things
primary source	evidence from the event that has not been changed
significant	important

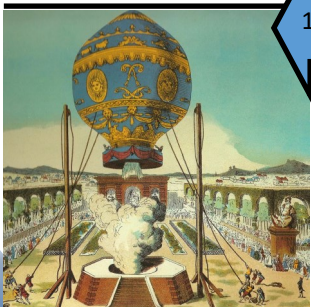

History Term 4- How did we learn to fly?

Primary Sources (including eyewitness accounts, photographs, diaries, and interviews) give historians a true idea of what was happening and who was important. Secondary sources (including books, newspapers and videos) may not be telling the whole truth.

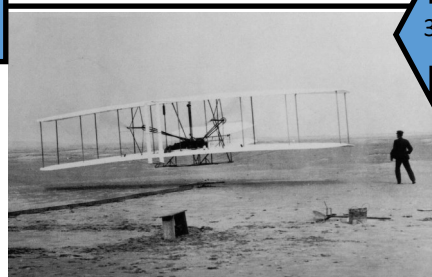

1783

First Hot Air Balloon Flight

1903

The Wright Brothers' First Flight

1937

Amelia Earhart disappears

1969

First steps on the moon

2024
