

# Year 2- Humanism

## Key Words:

**Humanist**- a follower of humanism.

**Reason**- the power of the mind to think, understand and form opinions.

**Atheist**- Someone who does not believe in God.

**Empathy**- to understand and share the feelings of others.

Humanism is an approach to life which encourages ethical and fulfilling living on the basis of reason and humanity, and rejects superstition and religion. The most immediate impact of living as a Humanist is that we believe this life is all there is - so what we do and the choices we make really count.

— Stephen Fry —

AZ QUOTES

Humanists believe in a 'Golden Rule', which is 'Treat other people as you would like them to treat you.' They believe you should always consider how your actions will affect other people and you should think about how you would feel in someone else's situation.
