### Recording a disclosure

Please read any disclosure including date, student's name and your name.

Record the facts using the young person's own words, your notes should not reflect your own opinion.

Show any injury on a body map if necessary.

### Making a referral

Should you need to make a referral, consult with a member of the Safeguarding Team. If they aren't available a referral can be made by the following link:

<https://www.kscb.org.uk>

1. Click on tab Professionals
2. Click on worried about a child
3. Click on single request for support form
4. Input as much information on the form
5. Save the form
6. Go back to Stage 3 and click uploads single request form (on the right hand side)
7. Complete cover details and upload form
8. Make a note of the referral number and inform DSL Team of the number immediately
