

Homework Menu

Year 6 – Term 5

The Homework Menu

This term we are continuing to embrace the more relaxed approach to home learning. We have set tasks that may be completed at home as homework. These tasks can also be completed on Wednesday afternoons, in the case of longer periods of absence, **or in the case of school closure** as we currently are. We will award Dojo points for any homework completed, but we are not asking for a minimum points total this term.

Side Orders (Optional)		Core Skills	
These activities, which link with the topics being studied in class, can be completed to further extend your child's learning.		A range of these activities should be completed <u>every day</u> to support your child's learning.	
<u>Maths – Create a 3D shape mobile for display</u> Draw nets of different 3D shapes to make a mobile to hang in the classroom. Can you label each shape with the number of faces, vertices and edges?	4	<u>Reading</u> Curl up and read a good book. Write a review of the best book you have read this year. Talk to someone at home about what you have read.	2
<u>Science – Light</u> Create a poster about animals with bioluminescence OR Create a poster / leaflet to explain how rainbows occur OR Make a periscope. Use the website to help you: www.stem.org.uk/rxyxt	4	<u>Spellings</u> Practise your spelling words in the way which you find most useful. This might be by being tested, drawing Calligrams or colouring in letters.	2
<u>History – Who should be on the £10 banknote?</u> Research a key figure in British history who you think should be featured on the £10 banknote. Write about what they did and why you have chosen them	4	<u>Times Tables Rockstars</u> The school provides your children with access to both Times Tables Rockstars. Log on and find an exciting activity to practise! Speak to your teacher if you have forgotten your login. www.ttrockstars.co.uk	2
<u>Maths / English</u> Complete practice papers. Answers are given so you can self-mark and check your progress.	8	<u>Mathletics</u> Use your login and complete activities.	2
<u>Topics to be covered in the remainder of Term 5</u>			
<u>Maths –</u> Revision of fractions and the four number operations			
<u>English –</u> Revision of key GPS and Reading skills; creating suspense and reasoned argument			
<u>Science –</u> Light.
