

PSHE Y5 Term 6: First Aid

The **Dept for Education** recommends that pupils at KS2 should know:

- How to make a clear and efficient call to emergency services.
- Concepts of basic first-aid ie. dealing with common injuries, including head injuries.

We will follow the First Aid pathway to build a sound knowledge of first aid.

“Children and young people are growing up in an increasingly complex world....they need to know how to be safe and healthy.”
