

**Home Learning
Menu Year 5
Term 6: What does the
census tell us about
our local area?**

How it Works

Homework is a great addition to your child's learning and an opportunity to consolidate and stretch their minds.

Weekly tasks have a positive impact across all lessons and so **should** be completed multiple times a week. **Bonus** tasks are optional, termly and can be completed to stretch and consolidate your child's knowledge of our varied curriculum.

Occasionally your child may come home with **targeted** homework to help in a particular area. As well as enhancing your child's learning homework is a great opportunity to earn **extra dojo points**; all you have to do is record it in their homework book. Your child's weekly spelling results will also be communicated back to you using this book.

Weekly Tasks

Reading	Keep a record of every time you read with someone. When you finish a book you can complete a book review bookmark and display it in your classroom. Challenge: Can you find a word that your teacher doesn't know the meaning of?
Spelling Practice	Use Spelling Frame or your homework book to practise the rules you have learned for your weekly spelling test.
Maths Practice	Use MathsWatch or Times Tables Rock Stars or have a family member test your recall. This will help you improve in your maths lessons.
Life Skills	This is an opportunity for you to share what you have done outside of school e.g Karate, Scouts, Dance class, cooking or baking. Just jot a small bit about it in your homework book; we love to read about all the amazing things you do outside of school!

Bonus Tasks

History - What does the census tell us about our local area?	Research Tenterden's past and create a poster/infographic about what life was like.
Music - Musical Theatre	Write your own song lyrics to a famous tune. Learn a song from your favourite musical and perform it to your parents.
French - My French family	Create a decorative 3D family tree. How far back can you go? https://www.youtube.com/watch?v=OULHe0UpoCc
PE	Play your own game of rounders/cricket with friends.
