

Ashford Family Hubs

Summer HAF Activities Timetable

Kent Family Hubs offer support to children, young people and their families. They make it easier for you to get the services you need throughout your family journey - from newborns to 19-year-olds, or up to 25-year olds with special educational needs or disabilities (SEND).

All activities must be booked.

Please see blue box below for telephone numbers to book or contact your local family hub.

0-11 year olds must be accompanied by an adult when attending all activities.
Siblings welcome, if there are spaces available. Please discuss at time of booking.

Food will be provided for all children booked onto activities.
When booking, please advise of any allergies or dietary requirements and accessibility needs.
