

Home Learning Menu

Year 3 – Term 2

How it Works

These tasks are optional week on week. However, completing the tasks in the column on the left will be beneficial to your child's learning and progress. **If you are unwell, resulting in time off school, please complete the tasks on the Home Learning Menu.**

Daily	Bonus Tasks
<p>Reading</p> <ul style="list-style-type: none"> - Fiction books, novels, short stories - magazines, comics, newspapers - websites, kindles - Non-fiction, information, recipe books <p>Please ensure an adult writes a comment about how your child has read in the reading record.</p>	<p>Computing – Stop-Motion Animation</p> <p>Can you create your one Stop-Motion video? You could use Lego, plasticine, moveable toys or card cut-outs.</p> <ul style="list-style-type: none"> • You might like to try making a flipbook... • What is Claymation? • Can you think of any examples of films / TV shows that use Stop-Motion?
<p>Learn spellings rules and revise</p> <ul style="list-style-type: none"> - Research and discuss spelling rules - Ask someone to test you - Identify the tricky part & a way to remember it <p>www.spellingframe.co.uk has practice games for the set spelling lists.</p> <p><i>Don't forget to make sure you know what all the words mean!</i></p>	<p>Science – Forces and Magnets</p> <p>Did you know that Earth is a giant magnet? https://www.youtube.com/watch?v=VFzg9XH0dv8</p> <ul style="list-style-type: none"> • Explore your home and see how many different types of magnets you can find. • Where did you find them? What are they used for? How might they be different? • Record these in your home learning books (photos, drawings, list, poster...)
<p>Times Tables Rock Stars</p> <p>Use this on a regular basis to practise your times tables. Every time you play counts as a piece of homework.</p>	<p>DT – Seasonal Eating</p> <ul style="list-style-type: none"> • Have a look at where your food has travelled from. • What foods are ripe in each season? (Autumn, Winter, Spring, Summer) • Ask an adult to teach you how to bake something delicious! • Write down the ingredients you need and steps involved. • Take a photo or draw what you have created.
<p>Mathletics – your child can play various maths games and activities on this site. We will also set occasional tasks based on class work.</p>	<p>Geography – Why do people live near volcanoes?</p> <ul style="list-style-type: none"> • Create a fact file about one of the world's famous volcanoes – Don't forget to sketch and label a diagram of it. • Pros and cons of living near a volcano. Create a simple table showing reasons why people would and wouldn't live near a volcano. • Design a safety poster to show how people can stay safe and prepare for a volcanic eruption. It should have a title, 3-5 safety tips and some symbols or images.
<p>Topics covered in Term 2</p> <p>Maths – Column method for addition and subtraction, multiplication and division; involving times tables.</p> <p>English – Traditional tales based on 'The True Story of the Three Little Pigs' and diary writing.</p>	<p>Wellbeing</p> <ul style="list-style-type: none"> • Spend time enjoying a game / craft / outdoor activity / visit (or similar) with your family. It could be with one member or several. Enjoy something together • Alternatively, your child could reflect on something in the local community or the wider world that has caught their interest and discuss this with you
