

The Essentials	Bonus Tasks
<u>Reading</u> - Fiction books, novels, short stories - magazines, comics, newspapers - websites, kindles - Non-fiction, information, recipe books <i>Don't forget to ask an adult to make a note in your reading record of how well you read, and jot any key words you find.</i>	<u>English – Persuasive letters</u> In English we will be writing letters persuading others to think our ideas are good ideas! Write a letter persuading a parent, friend or teacher to do/get something. Don't forget to include these features: ● Opening greeting ● Opinion language – I think/believe ● Persuasive sentence starters ● Modal verbs ● Arguments for ● Emotive language ● Rhetorical questions ● Concluding sentence and sign off. 
<u>Learn spellings rules and revise</u> - Research and discuss spelling rules - Ask someone to test you - Identify the tricky part & a way to remember it - Write sentences for each word www.spellingframe.co.uk has practice games for many spelling rules.	<u>Science – Plants, pollinators and seed dispersal</u> ● Research what flowers are native to Kent. ● Make a poster to show all the ways that seeds are dispersed. ● Sketch your garden or a local park and label the plants that grow there. ● What pollinators visit your garden? Take photos and share them on Dojo Portfolio. ● Research Kent's wildlife. You might like to complete a bird / insect watch from the comfort of your home. 
<u>Times Tables Rock Stars</u> Use this on a regular basis to practice your times tables. Every time you play counts as a piece of homework. <i>Remember to join in with any battles and challenge your friends!</i>	<u>Maths - Time</u> Explore telling the time on analogue and digital clocks, for both 12 and 24 hours. Explore key vocabulary relating to time. Create a poster to show all you have learned. ● Can you label the hands on a clock? ● Can you tell the time for o'clock and half past? ● Can you tell the quarter past and quarter to? ● What about telling the time to 5 minutes? 
<u>Mathletics</u> – your child can play various maths games and activities on this site. We will also set occasional tasks based on class work.	<u>Wellbeing</u> ● Spend time enjoying a game / craft / outdoor activity / visit (or similar) with your family. It could be with one member or several. Enjoy something together. ● Alternatively, your child could reflect on something in the local community or the wider world that has caught their interest and discuss this with you. 
Well done Year 3 – You're working so hard and doing so well!
