

Our Snowdog's Story 2018

How Tis became our treasured school Snowdog.

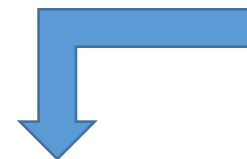

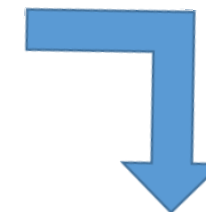

Each class had a suggestion box and filled it with exciting names.

Every class looked at the ideas and voted for their most popular name.

In a whole school assembly all children voted for their favourite name by putting a cube in a voting box.

The winning name, with the most votes, was Tis suggested by Harvey and we gave Tis a collar.

All the children had great fun creating lots of designs for our Snowdog.

Lili-Rose created the winning design. Lili-Rose told everyone that she wanted our Snowdog to be a school pupil just like all our children so she created a unique uniform. Lili-Rose used our school colours and wanted everything that we value included in her design. There are the large shady oak trees that are in our playground and our special characters that help us to be amazing independent learners.

A big thank you to Mr Webb who very kindly donated the paint to give Tis the most wonderful coat. The children enjoyed walking from school to Webb's to collect the paint for all the different parts of our Snowdog.

- Blue – to match our school jumper
- Light Blue – to match our school logo
- Grey – for Tis' socks
- Black – for super shiny shoes

Thank you Mr Webb for mixing great paints for us.

other in our work
and play every day.

We are Mindful Moles, being kind to
ourselves and enjoying every moment
calmly and thoughtfully.

Tis has been carefully varnished to protect all the wonderful art work created by all the children at Tenterden Infant School. A big thank you to Tenterden Kent and East Sussex Railway for sponsoring the varnish.

Thank you very much to Mrs Douglas for helping us protect Tis on his journey to Ashford.

What will happen to our snow pup?
