KS1 – Term 2

The Homework Menu

Following the introduction of the Homework Menu last year, we have found that the tasks which have the highest impact on children's learning are reading, spellings, number bonds and times tables (Year 2) As a school, we have therefore taken the decision to make these our **compulsory tasks** whilst making all other tasks **optional**. Your child may want to explore their own activity which has been inspired by the work they have done in school. This would be great and we would love them to bring their research into school.

Side Orders (Optional)

These activities, which link with the topics being studied in class, can be completed to further extend your child's learning.

Main Courses (Compulsory)

A range of these activities must be completed **every day** to support your child's learning.

Follow a recipe to make something tasty to eat.

Reading

- Read the school reading book and talk about the story. What are the main characters like? How are they feeling? What might happen next?
- Share a story with your child.
- Read a story on Bug Club.

Decorate a paper plate with a healthy meal.

Spellings

- **Practise the weekly spelling words and high frequency words** (Blue Year 1 and Year 2 Exception Words sheet). You could play a spelling game (chalking on your patio, writing in multi colours or make them out of playdough).
- Practise using the words in sentences.

Research where in the world your food comes from.

Mathletics

The school provides your child with access to Mathletics. Log on and find an exciting activity to practise! Work is sometimes set, but you have access to all the activities and to score lots of points regularly visit Live Mathletics which helps build fluency.

www.mathletics.co.uk

Don't forget you will receive a certificate for your achievements.

Go for a walk using your senses to identify the changing seasons.

Maths Passports and Spelling Passports

The school also provide your children with Maths and Spelling passports. These are used to keep basic knowledge and skills at the forefront of the children's mind whilst their learning is extended in class.

From time to time, your teacher may choose to issue specific tasks to support learning across the curriculum. Homework will be celebrated in class and awarded on DoJo.
