

OLD MACDONALD had a PHONE

FUN ACTIVITY SHEET

We hope you loved the story of Old Macdonald and his phone-loving animals. Luckily, they learnt how to use their phones in a way that made everyone happy – phew!

Colour in Old Macdonald and his friends.

Bull won first prize in the show – draw him some emojis to say well done.

What do you think?
What rules would you set
for phones in your house?

My phone rules

Phones are great fun as long
as you use them sensibly.

The animals have invited you for tea,
draw some more cakes on the plate
and remember – no texting at teatime!
