Year 4 – Term 2

How it Works

Main Course tasks should be completed daily in order to support and assist children's progressing in learning.

The Essentials	Bonus Tasks
<p><u>Reading</u> Pick up your reading book and enjoy immersing yourself in a story. This could be you reading or being read to. Don't forget to write a comment in your reading records.</p> <p>Reading books will be changed Wednesday and Friday, so please bring in your reading books to change on these days.</p>	<p><u>Reading – Book Review</u> Read a book by an author you have not read before. Then write a short review for your classroom book corner.</p> <ul style="list-style-type: none"> • What did you enjoy about the story? • What would you rate it? • What other books has the author written that you might like to try?
<p><u>Spellings</u> You will be giving weekly spellings to practice and accompanying sheets. These are in accordance to the national curriculum. Each child will be given weekly spellings on Friday and will be tested on the following Friday.</p> <p>To help practise, you could try writing the words in fancy letters, bubble writing or different colours. You could even try to make the words using different materials.</p> <p>Don't forget to write your words into sentences.</p>	<p><u>Writing – setting description</u></p> <ul style="list-style-type: none"> • Write a descriptive and creative setting description about your home setting. This could be your garden, living room, a room with Christmas decoration etc. • Remember to use a thesaurus to find more exciting words.
<p><u>Times Tables Rock stars</u> Times Tables are very important in Year 4, so we will be competing in a Year Group competition to see which class can win the most points. Keep practicing to earn points for your class.</p> <p>Speak to your teacher if you have forgotten your login.</p>	<p><u>Science – Animals including humans</u></p> <ul style="list-style-type: none"> - Create a model of your mouth this could be using clay, plasticine, paper, card, anything you like (be creative!) - Use a mirror to see what your own mouth looks like and to see what teeth you have. - Can you label your teeth?
<p><u>Mathletics</u> – your child can play various maths games and activities on this site. We will also set occasional tasks based on class work.</p>	<p><u>Outdoor –</u></p> <ul style="list-style-type: none"> • Create a piece of artwork using natural materials i.e fallen leaves, petals, moss etc. <p><u>Wellbeing</u></p> <ul style="list-style-type: none"> • Spend some time playing a game, spending time with your family, watching a film or simply having some reflection time.

Topics covered in Term 2

Maths – Column method for addition and subtraction, multiplication and division; involving times tables.

English – Traditional tales and instruction writing.
