

Helping local people

A Listening Ear: We will support anyone in the area in need of help for whatever the reason. We will work in confidence to understand someone's position and then agree with them which organisations are best suited to their needs for specific support and advice.

A Community Bank: We are a branch of the Kent Savers Credit Union which exists for the people of Kent to give them access to low cost loans. Kent Savers relies on those people in Kent who want to invest in their community and provide the funds in turn for an annual dividend.

Open: Mondays - Thursdays – Fridays

Please check times on www.tenterdencommunityhub.co.uk or email info@tenterdencommunityhub.co.uk
